kelleemoye	7/11/2012	9:52 PM	@utalaniz Hi! Love that you want a little PD during the summer :) #rwworkshop
kelleemoye	7/11/2012	9:52 PM	@ScottMiddlemiss So for RW you use the same curricular plan? (I teach only intensive reading)

kelleemoye	7/11/2012	9:46 PM	@CWilliams2323 Write now my units are themes and then we do genre and standards within unit.
			@kelleemoye I have an issue in that once children "prove" a standard, we can check it off the list. How
kagmoran	7/11/2012	9:46 PM	much proof? Ugh. #rwworkshop
CWilliams2323	7/11/2012	9:46 PM	@kelleemoye #rwworkshop similar lessons will repeat in different units
kelleemoye	7/11/2012	9:45 PM	@CWilliams2323 Can you give me an example of what her day goals are? #rwworkshop
kelleemoye	7/11/2012	9:45 PM	@kagmoran I'm sure there are great apps though! You'll have to let us know if you find any good ones.

kelleemoye	7/11/2012	9:45 PM	@kagmoran I love Microsoft office & since I don't have an iPad they are probably my best way to go. I'll prob use Note or Word. #rwworkshop
CWilliams2323	7/11/2012	9:45 PM	@kelleemoye #rwworkshop most kids will be ready for something new each day (its all related in same unit). Indiv work with all @ their level
kelleemoye	7/11/2012	9:44 PM	@CWilliams2323 That is scary! Are learning goals repeated? #rwworkshop
kagmoran	7/11/2012	9:44 PM	@kelleemoye I don't know One Note. Was looking at apps that Klienspiration reviews. @kleinerin
LoveLearnTeach	7/11/2012	9:44 PM	@kelleemoye Tough, because we have new curr maps done by units, a principal who doesn't love indep rdg, and lots of new tchrs. #rwworkshop
kelleemoye	7/11/2012	9:44 PM	@kagmoran @LoveLearnTeach that the push for essential independent reading, reading response and conferences will be diminished. #rwworkshop
kelleemoye	7/11/2012	9:43 PM	@kagmoran @LoveLearnTeach I am personally worried that between the complex text standard and the exemplar texts... #rwworkshop
CWilliams2323	7/11/2012	9:43 PM	@kelleemoye #rwworkshop yes! Scary I know. But my training this summer said keep moving, it will all come around again.
kagmoran	7/11/2012	9:42 PM	RT @kelleemoye: @LoveLearnTeach I just said that! :) I agree that both aspects of reading are essential.
kelleemoye	7/11/2012	9:41 PM	@CWilliams2323 So you have a learning goal each day and you just keep moving? #rwworkshop
kelleemoye	7/11/2012	9:41 PM	@LoveLearnTeach I just said that! :) I agree that both aspects of reading are essential. #rwworkshop
kelleemoye	7/11/2012	9:41 PM	@kagmoran On my computer. I will probably use Microsoft One Note to plan. #rwworkshop
kelleemoye	7/11/2012	9:40 PM	@LoveLearnTeach Us too. Big push and I hate to see independent reading being pushed aside. Hope a balance can be found. #rwworkshop
CWilliams2323	7/11/2012	9:40 PM	@kelleemoye #rwworkshop each day has one specific teaching point. Some kids will be ready for it, some
LoveLearnTeach	7/11/2012	9:40 PM	@kelleemoye #rwworkshop Have to find a way to keep independent rdg & stdnt conferences. I want them to read on their own, too...
kagmoran	7/11/2012	9:39 PM	@kelleemoye :) #rwworkshop
kelleemoye	7/11/2012	9:39 PM	@kagmoran Already added it to the wiki :) #rwworkshop
kagmoran	7/11/2012	9:39 PM	@kelleemoye How are you going to do this? On paper? Software? An App? I am trying to go paperless and just use my iPad for all. #rwworkshop
LoveLearnTeach	7/11/2012	9:38 PM	@kelleemoye #rwworkshop We are fully implementing CCSS this year, too, so we are expected to do closer & deeper reading of complex texts.
kagmoran	7/11/2012	9:38 PM	http://t.co/RK9yWuIJ #rwworkshop
kelleemoye	7/11/2012	9:37 PM	@kagmoran I definitely need structure as well which is why this year I am going to curriculum map my whole year. #rwworkshop
kelleemoye	7/11/2012	9:37 PM	@CWilliams2323 I agree, that is why I am looking into her organization. I just don't have the materials since they are K-2, 3-5. #rwworkshop

kagmoran	7/11/2012	9:36 PM	@CWilliams2323 I totally agree. When I have structure, purpose is so much more clear to all of us.
kelleemoye	7/11/2012	9:36 PM	@kagmoran I am definitely going to use this in my class as students are fascinated with illustrations- might as well use them! #rwworkshop
CWilliams2323	7/11/2012	9:35 PM	@kelleemoye I still think grouping the year into units would work for middle school. It gives structure to wksp which I need #rwworkshop
kagmoran	7/11/2012	9:35 PM	@CWilliams2323 She says it's for K! But it is really for K-12. I learned so much about how illustrators make decisions. #rwworkshop
kelleemoye	7/11/2012	9:34 PM	@CWilliams2323 Ah. I didn't realize it came with books. We do not use Unit of Study since we are middle school. #rwworkshop
CWilliams2323	7/11/2012	9:33 PM	@kelleemoye Calkins, but I don't know if we get these for being a "partner school". Units of study for the whole year in r/w #rwworkshop
kelleemoye	7/11/2012	9:32 PM	@thereadingzone Your school set up sounds very interesting. I am intrigued. I also like the idea of using newspapers... #rwworkshop
kagmoran	7/11/2012	9:32 PM	All can be successful writing about illustrations. Illustrators make same decisions as writers/readers. Levels playing field. #rwworkshop
CWilliams2323	7/11/2012	9:31 PM	@kelleemoye @kagmoran #rwworkshop what grade is this geared towards? I'd love to do illustration study with 5th graders
kelleemoye	7/11/2012	9:30 PM	@CWilliams2323 What individual grade level books? #rwworkshop
kagmoran	7/11/2012	9:30 PM	http://t.co/ZFNtkKxp It has changed how I think about everything. #rwworkshop
thereadingzone	7/11/2012	9:29 PM	@kelleemoye Yes. Lots of co-teaching in my school. My students read an article from the NYTimes each morning to cover NF in CC #rwworkshop
CWilliams2323	7/11/2012	9:29 PM	@kelleemoye @kagmoran #rwworkshop the indiv grade level books are even better, not sure if you can
kelleemoye	7/11/2012	9:29 PM	@kagmoran Never heard of this book- please share more. #rwworkshop
kelleemoye	7/11/2012	9:28 PM	@CWilliams2323 I am happy to hear that others are planning on incorporating it the same way.
kelleemoye	7/11/2012	9:28 PM	@CWilliams2323 Yes, I am going to hit on the complex texts through shared reading passages during minilessons as well. #rwworkshop
kelleemoye	7/11/2012	9:28 PM	@thereadingzone Ah- you are more cross curricular. #rwworkshop
kagmoran	7/11/2012	9:27 PM	Oh, and I also did a book study of Katie Wood Ray's In Pictures and In Words. I love the idea of writing about illustrations. #rwworkshop
CWilliams2323	7/11/2012	9:26 PM	@kelleemoye minilessons, shared rdg passages, book club discussions, and getting lots of quality NF in the room #rwworkshop it will be hard!
thereadingzone	7/11/2012	9:26 PM	@kelleemoye I have a weird setup. :) I teach humanities,reading/writing alongside world history teacher. It's an odd workshop #rwworkshop
kelleemoye	7/11/2012	9:26 PM	@kagmoran If I taught ELA, I would definitely do more writing, but I am only intensive reading.

kagmoran	7/11/2012	9:25 PM	My revising process has changed how I want to work with children on their writing. #rwworkshop
			I like reading responses, but I have to say I have learned so much about writing for writing sake through
kagmoran	7/11/2012	9:25 PM	Teachers Write! #rwworkshop
kelleemoye	7/11/2012	9:25 PM	@thereadingzone So do you do mostly reading workshop? #rwworkshop
kelleemoye	7/11/2012	9:24 PM	@CWilliams2323 This is a question that many teachers I know are having. #rwworkshop
kelleemoye	7/11/2012	9:24 PM	@CWilliams2323 Through minilessons? #rwworkshop
			@CWilliams2323 With following reading workshop that closely how will you meet the complex text
kelleemoye	7/11/2012	9:24 PM	standard of CCSS? #rwworkshop
thereadingzone	7/11/2012	9:23 PM	@kelleemoye Most of my writing is in response to reading as well :) #rwworkshop
kelleemoye	7/11/2012	9:23 PM	@kagmoran I've done that sneak in many a time ;) #rwworkshop
			@kelleemoye Hmm, I wonder if my district has this too. Must sneak in to steal while carpets are being
kagmoran	7/11/2012	9:22 PM	replaced. #rwworkshop
			@CWilliams2323 My district is pushing deeper reading of complex tests more than indp reading though I
kelleemoye	7/11/2012	9:21 PM	will definitely do both. #rwworkshop
			@kelleemoye yes! Short mini, share out but bulk is in small groups/indiv conferences with kids rdg at their
CWilliams2323	7/11/2012	9:20 PM	level. #rwworkshop
kelleemoye	7/11/2012	9:20 PM	@kagmoran Here's reading workshop from Calkins http://t.co/f1E7QPv5 #rwworkshop
kelleemoye	7/11/2012	9:19 PM	@CWilliams2323 Wow- I didn't know she had updated already. #rwworkshop
CWilliams2323	7/11/2012	9:19 PM	#rwworkshop our school has the latest updates from Calkins with CCSS integrated.
			@kagmoran Thank you :) I am doing only reading workshop, but I think I can use her set up to help me
kelleemoye	7/11/2012	9:18 PM	write my curriculum. #rwworkshop
			@kelleemoye I must do the same, not just because I'm new to 4th, but because we have changed we have
kagmoran	7/11/2012	9:18 PM	all new standards. #rwworkshop
kelleemoye	7/11/2012	9:18 PM	@CWilliams2323 A training I went to said to do less before and after reading and do more during.
kelleemoye	7/11/2012	9:17 PM	@CWilliams2323 Yes, reading, specifically close and deeper reading, is very important with CCSS.
CWilliams2323	7/11/2012	9:17 PM	@kelleemoye units last 4-6 wks, launching unit, a genre unit, character,2 NF, research unit #rwworkshop

kelleemoye	7/11/2012	9:14 PM	@CWilliams2323 I've never used the Calkins units of study- how does she set up the lessons?
kelleemoye	7/11/2012	9:13 PM	@thereadingzone but with CCSS I am going to add more writing although most will be in response to reading. #rwworkshop
kelleemoye	7/11/2012	9:13 PM	@thereadingzone Yes, NF is a huge push. I already use a lot as well. I am only reading, #rwworkshop
thereadingzone	7/11/2012	9:12 PM	@kelleemoye I'm not changing much at all! Focus in writing on more the CCCS genres, but that's all. I use a lot of NF, tho #rwworkshop
CWilliams2323	7/11/2012	9:12 PM	#rwworkshop I'm here! 5th gr tchr. This year we dug into calkins and I love her units of study. Planning whole year around her r w units
kagmoran	7/11/2012	9:12 PM	I like the idea of using something for guiding my mini-lessons. #rwworkshop
thereadingzone	7/11/2012	9:11 PM	@kagmoran I used Calkins 3-5. Loved it. You can use the lesson plans as jumping off points. #rwworkshop
kelleemoye	7/11/2012	9:11 PM	@lyssareads How are you going to set up your lesson plans next year? #rwworkshop
kelleemoye	7/11/2012	9:11 PM	@kagmoran I do not, but during other chats teachers have promoted it. #rwworkshop
kelleemoye	7/11/2012	9:10 PM	@thereadingzone I just bought it. Looking forward to reading it. How are you going to change your workshop to reflect CCSS? #rwworkshop
kagmoran	7/11/2012	9:10 PM	I am starting 4th grade from 1st. But I was thinking of doing Lucy Calkins 3-5. Any experience with this?

kelleemoye	7/10/2012	10:04 PM	@thereadingzone @hale27storm @mentortexts @ichrislehman I think that many don't understand how thought provoking #rwworkshop is.
kelleemoye	7/10/2012	10:03 PM	@thereadingzone @hale27storm @mentortexts @ichrislehman I think it should be easier to use/justify #rwworkshop b/c they overlap, but...
thereadingzone	7/10/2012	10:01 PM	@kelleemoye @hale27storm @mentortexts @ichrislehman I am having an easier time using #rwworkshop thanks to CCCS! #pathccss
kelleemoye	7/10/2012	10:01 PM	@hale27storm @mentortexts @ichrislehman @thereadingzone Though I think #rwworkshop includes much of what CCSS stands for.
